### Children's Council

#### Update

We discovered through our pupil council that the children were very interested in doing a road safety project. From this we arranged a road safety and fire brigade visit. The feedback from the children was that they all enjoyed this.

### Activities

We have been busy with our anti-bullying project, recycling, eco, healthy and unhealthy living.

#### Halloween

The children had lots of fun at our party. We played many games and had lots of fantastic costumes. Pictures of the party can be found in our year book.

### Hamper Donations

It is that time of year again and we kindly ask parents to donate items that can be used in our Christmas raffle.

The profit made from the hampers will go back into the club. What to do with the funds will be decided at a Children's Council meeting in the new year. We will keep you posted on the outcome of this.

We have been updating the parent information station with a new photo year book and comments book. Please feel free to have a look or write a comment. There is also a policy of the week and questions of the month. If there is any information you think should be available then please discuss with a member of staff.
