# The results are in:

14 OUT OF THE 28 RETURNED QUESTIONNAIRES SAID THAT QUALIFICATIONS AND STAFF POSITION WAS OF HIGH IMPORTANCE.

70% of parents said that a healthy breakfast is of high importance to their children.

16 Parents said that there are sufficient activities.

The majority of parents highlighted that they would like the breakfast club to open at 7.45am.

70% of parents said that communication between staff was good.

We are going to :

Continue with providing a healthy breakfast for the children.

Continue with our good communication. Making sure that our notice boards are up to date so that you know what activities your children can do at breakfast club.

We have discussed the Breakfast Club's opening at 7.45am with our Board Members.  
At present we are looking into the additional costs. We will keep you posted on the outcome of this.

Thankyou to all the parents who particitpated in this survey.

We welcome feedback from our parents.
